

TYRES YOU CAN RELY ON.

TYRES YOU CAN RELY ON.

**TUTRIC (Tianjin United Tire & Rubber International Co., Ltd.)** is the manufacturer of TIANLI tyres.

**TUTRIC** was founded in 1985 as a joint venture with the Canadian tyre producer United.

**TUTRIC** is a highly specialised manufacturer of tyres for agricultural, forestry, industrial and construction equipment. The company is one of the leading producers of speciality tyres with over 30 years of experience.

**TUTRIC** manufactures an extensive tyre product range of over 300 sizes from 16 to 63 inches a number expected to double over the next two years.

**TUTRIC** was the first Chinese producer to invest early in the development of forestry, flotation and tractor radial tyres.

**TUTRIC** exports tyres to more than 70 countries worldwide.

**TUTRIC** constantly strengthens and expands its market position in Europe by steadily increasing the product range and by expanding the network of authorised dealers.

**TUTRIC** has completed investments of 350 M. US Dollar in new state of the art production facilities covering an area of about 32 ha.

**TUTRIC** offers modern working environments to its employees, a high expenditure on R&D and sustainable production using only diligently sourced materials for quality green tyres.

**TUTRIC** focuses strongly on energy saving and environment friendly production processes.

**TUTRIC** meets all ECE Regulations, REACH requirements and produces according to the standards of ISO9001: Version 2008 in 2010.
