推动长江经济带发展是党中央作出的重大决策， 是关系国家发展全局的重大战略。

It is a major policy decision made by the party central committee and a major strategy concerning the overall national development to promote the development of Yangtze River Economic Belt.

长江经济带 覆盖上海、江苏、浙江、安徽、江西、湖北、湖南、重庆、四川、云南、贵州等**11**省市，面积约**205**万平方公里，人口和生产总值均超过全国的**40%**，是我国经济重心所在、活力所在，也是中华民族永续发展的重要支撑。

Yangtze River Economic Belt, which is China's economic center with vitality and important support for Chinese nation's sustainable development, covers **11** provinces including Shanghai, Jiangsu, Zhejiang, Anhui, Jiangxi, Hubei, Hunan, Chongqing, Sichuan, Yunnan, Guizhou with a total area of **2,050,000** square meters. Both of the population and gross value of production in the Yangtze River Economic Belt exceed **40%** of that in the whole country.

推动长江经济带发展部分目标（到2020年）

Parts of Goals for Promoting the Development of Yangtze River Economic Belt (To 2020)

生态环境明显改善，水资源得到有效保护和合理利用，河湖、湿地生态功能基本恢复。

Obvious Improvement of Ecological Environment, Effective Protection and Reasonable Utility of Water Resource and Basic Recovery of Ecological Function of Rivers, Lakes and Wetlands

75%

水质优良（达到或优于Ⅲ类）比例达到
Good Water Quality Proportion

43%

森林覆盖率达到
Forest Coverage Rate

60%

城镇化率达到
Urbanization Rate

2018年4月，习近平总书记实地考察调研长江生态环境修复工作。

General Secretary Xi Jinping paid a field visit for investigating the ecological environment recovery of Yangtze River's in April 2018.

协同发展 共创未来

Coordination Development for a Shared Bright Future

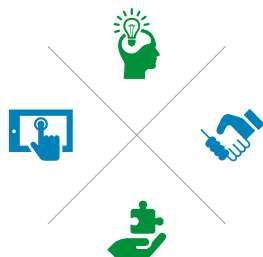

重庆作为长江经济带上游中心城市，我国西部唯一的直辖市，是推动长江经济带和西部大开发、“一带一路”建设的重要力量，也是“建立长江经济带环保产业协同发展机制”的倡议地。

As the center city in the upper stream region of Yangtze River Economic Belt and the only municipality directly under the Central Government in China's west, Chongqing is the important force for promoting the development of Yangtze River Economic Belt, Western Region Development of China and the construction of "the Belt and Road Initiative" and the place where the initiative of "Constructing the Coordination Development Mechanism of Environmental Protection Industry in Yangtze River Economic Belt" was set.

在长江经济带各省市生态环境厅（局）、行业组织和节能督察机构的支持下，“长江经济带环保博览会（YREP Expo）”立足于长江经济带绿色发展和工业转型升级的现实需求，以“专业·务实·高效”为展会经营理念，旨在为行业搭建一个“高规格·大规模·高质量”的展示交流与商贸合作平台。汇聚国内外的最新产品、前沿技术和解决方案，有效地推动参展商与来自各地的政府主管部门、环保、市政、设计院、工业终端用户、设备采购商、金融机构、科研院所建立新的联系，扩充人脉网，获取实时的项目信息，捕捉新的商业机会，从而提升业务、在激烈的竞争中抢得先机。

Under the support of Departments of Ecology and Environment, Industry Associations and Energy Conservation Inspectorates of all provinces and cities in the Yangtze River Economic Belt, "Yangtze River Economic Belt Environmental Protection Expo (YREP Expo)" aims to set a stage which is of high standard, large scale and high quality for exhibitions, exchanges and commercial partnerships in the industry with the operation philosophy of professionalism, practicability and efficiency based on the realistic demand of the green development and industrial transformation and upgrading in the Yangtze River Economic Belt. With the latest products, advanced technologies and solutions at home and abroad gathering here, the exhibitors could establish new connections with government authorities, environmental groups, municipal administrations, designing institutes, industrial end-users, equipment buyers, financial institutions, scientific research institutes, enlarge the networks, be accessible to real-time project information and capture new business opportunities for further fostering business and taking the preemptive opportunities in the fierce market competition.

展会特色 Features

1 规格高 High Standards

长江经济带与中西部地区环保部门鼎力支持，环保产业协会主办，彰显展会实力与品质；众多国内外行业协会、商会、学会全力协助，确保展会专业性与权威性；

The full support from Yangtze River Economic Belt and Departments of Environment Protection in Central and Western China and the sponsor of Environment Protection Industry Association present the strength and quality of the exhibition. The strong assistance from various industry associations, chambers of commerce and conservancy clubs ensures the exhibition's professionalism and authority.

2 理念新 New Philosophy

以“新趋势、新产品、新技术、新模式”四新为办展的核心理念，紧贴前沿科技，促进成果转化。

With the core philosophy of “new trends, new products, new technologies and new models”, the exhibition clings to advanced technology and promotes the achievement transformation.

3 平台优 Great Platform

服务长江经济带及中西部地区，汇聚国内外的最新产品、前沿技术和解决方案，有效地推动参展商与来自各地的政府主管部门、环保、市政、设计院、工业终端用户、设备采购商、金融机构、科研院所建立新的联系，扩充人脉网，获取实时的项目信息，捕捉新的商业机会，从而提升业务、在激烈的竞争中抢得先机。

The exhibition serves for Yangtze River Economic Belt and Central and Western China with the latest products, advanced technologies and solutions at home and abroad gathering here. 6 特邀贵宾商务配对 Business Matchmaking with VIP Guests

组织方以服务参展商为中心，致力于优化参展效果，更好地协助参展商寻找最合适的合作伙伴，推广产品与服务，提供商务对接服务。

- 商贸配对 —— 邀请贵宾买家坐镇配对区，为供应商与买家提供一对一的洽谈空间，为买卖双方搭建省时省钱又省心的商贸“绿色通道”！
- 定向采购 —— 收集各省市区采购需求，定向邀请供应商，确保每一家参展商得到实惠。

The organizer, who centers on serving the exhibitors, promotes products and services and provides business reception service, is devoted to optimizing exhibitors' satisfaction with the exhibition for better assisting them in looking for the most appropriate partners.

- Business Matchmaking – – To invite VIP buyers, provide one-to-one negotiation space for suppliers and buyers and thus build for contracting parties business “Green Channels” which save time, money and worries.
- Directional Procurement – – To collect the procurement requirement of different provinces and cities, invite suppliers in a fixed way and then ensure that every exhibitor could get benefit.

7 买家邀请扎实高效 Efficient Invitation for Buyers with Solid Outcomes

- 依托超过20万的观众数据库，广邀市政、工业、服务业不同领域的专业观众，包括：石油石化、日化、制药、食品、酿造、纺织、印染、造纸、皮革、橡塑、冶金、采矿、电力、电子电器、建材、机电制造、经销商、工程设计/建设、资源再利用等；

- 特别邀约：
 - 长江经济带及中西部各省市环保部门、水务水利局、自来水、污水处理厂、固废管理中心、市容环卫所、环境监测站等专业高端参观团；
 - 各工业领域用户及环境督查重点企业；
 - 生态环境科研院所、金融投资机构；
 - “一带一路”沿线国家与地区政府机构，以及东南亚、中东国家和地区的环保设备采购商。

- Based on the data base including more than 200,000 visitors, the invitation covers the professional visitors from city administration, industry and service fields including petroleum, petrochemical, daily chemical, pharmacy, food, brewing, textile, dyeing, papermaking, leather, rubber and plastic, metallurgy, mining, electricity, electronics, electric appliance, building materials, electro-mechanical manufacturing, dealers, engineering design/construction and resource reuse.

- Special Invitation
 - Professional high-level visiting groups including departments of environment protection, water authorities, running water plants, sewage treatment plants, solid waste management centers, offices of environment and sanitation and environment monitoring centers of provinces and cities in the Yangtze River Economic Belt and Central and Western China;
 - Ecological environment scientific research institutions, financial investment organizations;
 - Governmental organizations of countries and regions along “the belt and road” and environment protection equipment buyers from countries and regions of Southeast Asia and the Middle East.
