## Transfer Tape/B6004

### ◆ Brief Introduction:

BOYUAN No Substrate Transfer Tape B6004 is one kind of pressure sensitive tape which is designed and developed for re-orientation purpose. The bonding and cohesion strength is good enough on variety of materials such as plastic and metal etc.

### ◆ Structure:

Structure	Composition	Color	Thickness(μm)
Glue Layer	Polyacrylate	Clear	10±3
Release Liner	Coated Kraft paper	White	130±10

### ◆ Technical Parameters:

Item	Standard	Data
Peel Adhesion (N/25mm)	GB/T 2792-2014 (50μmPET)	0.5~2.0
Static Shear Adhesion (1Kg 4h, mm)	GB/T 4851-2014	≤1.0

### ◆ Packing:

Outer: Carton      Inner: PE bag

### ◆ Storage:

Keep package sealed, 0~25°C, ≤60%RH, Avoid direct sunlight.

Shelf life: two months.

### ◆ Notice:

Gentle load, No press.

In order to avoid overflow and poor bonding strength please choose the proper parameters according to your machine setting.
