

Optional Magnetic float type level gauge with lining for L300

Spec. sheet no. LD03-03

Chamber size

50A, 65A

Chamber thickness

SCH. 10S, 20S, 40S, etc.

Flange rating

ANSI 150 ~ ANSI 600 Lb

Chamber material

304SS, 316SS

Lining parts

Inside of chamber

Lining material

Teflon, Rubber

Indicator method

Magnetic

Max. pressure

2.0 MPa

Max. temperature

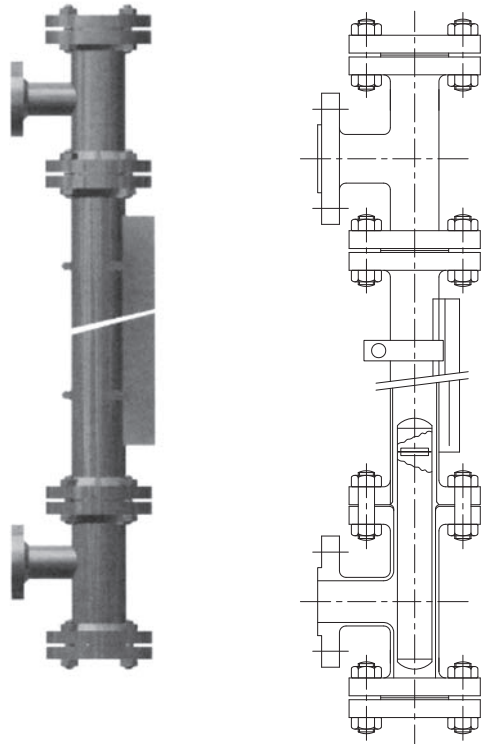

130°C

Specific gravity

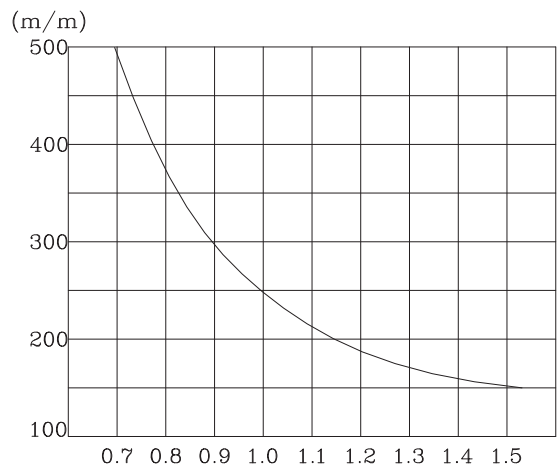

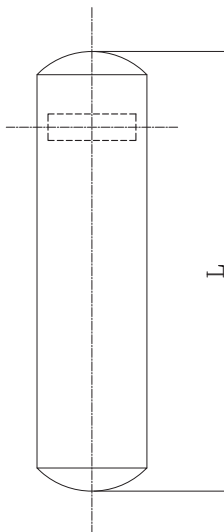

Min. 0.45

Viscosity

Max. 50 CP

Float length

Large empty rectangular box for writing.
